

Armoise shawl was designed by Hel et Zel exclusively for Madlaine.fr. This long and shallow shawl, worked in DK weight yarn, can be wrapped several times around your neck, to keep you warm. The cabled textures add a touch of elegance to the sobriety of the stockinette stitch. It's worked in the bias, with a number of stitches decreasing as you go along. Pattern available in french and in english. Hel et Zel's version was knitted with 7 balls of Gueret de Fonty in the Daurade colorway. After blocking, it measures 250cm lenght for 75cm width. Kits are available for Armoise: Daurade, Crevette, Praline, Groseille, Mûre, Curaçao. **PATTERN Stockinette Cables GAUGE 10cm x10cm of stockinette stitches on 4,5mm needles, 19s x 26r washed and blocked**
