

Give me a color is a multicolored shawl designed by Xiaowei Hu.

With this pattern, Xiaowei invites you to play with colors to create lines in the middle of the shawl and a fancy garland-shape edge. This shawl is very wide (265cm) and warm thanks to the Madeline Tosh yarns. Enjoy this very modern design, the perfect shawl for the winter!

After blocking, the shawl knitted by Xiaowei measures 235cm (wide) * 67cm (deep).

Pattern available in french or in english
