

Grande Ourse was designed by Elise Dupont exclusively for Madlaine.fr. Grande Ourse (Ursa Major in French) is a textured pullover with a contrast neck that will allow you to play with colors and leftover yarn. The mock honeycomb pattern is quick to remember. Worked "top-down", the set-in sleeves use short rows for shaping the sleeves cap. It is available for sizes (32-34-36) (38-40-42) (44-46-48). Pattern available in french and in english. Elise's version was knitted with 4 skeins of Cheeky Merino Joy "Cornish Slate" and 2 mini-skeins Unicorn Tails "Rain Water". Kits are available for Grande Ourse: Size 32 to 38: Alkaid, Mizar, Alioth, Megrez Size 40 to 48: Alkaid, Mizar, Alioth, Megrez PATTERN Stockinette Textured stitch ECHANTILLON 10cm x10cm of stockinette stitches on 3,5mm needles, 24s x 34r washed and blocked
